Statement from the Southern African HIV Clinicians Society

Thursday, 29 March 2018

The Southern African Journal of HIV Medicine accepted onto PubMed Central®

The Southern African HIV Clinicians Society is thrilled to announce the official acceptance of our Journal: *The Southern African Journal of HIV Medicine*, onto PubMed Central®. This is a wonderful achievement for the journal, representing the culmination of many hours of hard work over the last years, demonstrating that the journal is a high-quality world class journal.

PubMed Central® is a free full-text archive of biomedical and life sciences journal literature at the U.S. National Institutes of Health's National Library of Medicine (NIH/NLM).

The *Southern African Journal of HIV Medicine*, published by AOSIS, has been in operation for the past 18 years and has a broad reach with clinicians and scientists in South and Southern Africa and abroad.

The journal is focused on HIV/AIDS science, prevention, treatment, resistance and care. The purpose of the journal is to disseminate original research results and to support high-level learning related to HIV Medicine. It publishes original research articles, editorials, case reports/case series, reviews of state-of-the-art clinical practice, and correspondence.

To access the journal, please visit the website <https://sajhivmed.org.za/index.php/hivmed>.

We would like to thank all those who have contributed to the success of the journal by submitting papers, acting as reviewers and to all the past Editors and committee members.

We extend an invitation to all clinicians and scientists to participate in the journal:

- **Reader:** Register to receive notifications by email on publication of an issue of the journal
- **Author:** Register to submit articles to the journal
- **Reviewer:** Register to conduct peer review of submissions to the journal website. To view the submission guidelines and procedures please visit https://sajhivmed.org.za/index.php/hivmed/pages/view/submission-guidelines#part_1 and <https://sajhivmed.org.za/index.php/hivmed/pages/view/publication-procedure>.
