Acknowledgement to reviewers

The editorial team of the *Southern African Journal of HIV Medicine* recognises the value and importance of peer reviewers in the overall publication process – not only in shaping individual manuscripts, but also in shaping the credibility and reputation of our journal.

We are committed to the timely publication of all original, innovative contributions submitted for publication. As such, the identification and selection of reviewers who have expertise and interest in the topics appropriate to each manuscript are essential elements in ensuring a timely, productive peer review process.

We would like to take this opportunity to thank the following reviewers who participated in shaping this volume of the *Southern African Journal of HIV Medicine*. We appreciate the time taken to perform your review(s) successfully.
